April - June 2024 Course Schedule

Save time and money in commuting costs with GetWired, a blended learning program with most instruction occurring online. Most courses have one hands-on lab activity day at a WECA Training Facility; some courses are entirely online. You can take a course anywhere you have access to high-speed internet. For more information on computer specifications, visit goweca.com/GWtechreqs.aspx.

GetWired courses are instructor-led inside a virtual classroom using a combination of lecture, presentations, and discussions. All courses are taught by a certified electrician instructor. Hands-on lab Saturdays are an option for many courses and are included in your tuition and are conducted in person at the closest participating WECA location to you. **AND**, WECA is most of the way through rolling out a new way to take GetWired! If you prefer to take classes on your own time, at your own pace (rather than scheduled and instructor-led), you can choose the online, self-paced option. Now available for GetWired 101 through 204, 304, 401, and 402, plus a self-paced alternative to GetWired 403. Stay tuned for self-paced GetWired 404 coming soon!

GW 101 Self-Paced (40 hours, \$319) GW 102 Self-Paced (42 hours, \$319) GW 103 Self-Paced (42 hours, \$319) GW 104 Self-Paced (42 hours, \$319) GW 201 Self-Paced (36 hours, \$339) GW 202 Self-Paced (36 hours, \$389) GW 203 Self-Paced (39 hours, \$389) GW 204 Self-Paced (39 hours, \$389) GW 304 Self-Paced (41 hours, \$349) GW 401 Self-Paced (33 hours, \$349)
