This form is for reporting of journeymen electricans' hours and contribution amounts only, as required by California Labor Code 1777.5.
It is not a contract, it is not intended for reporting of contract award information required by the Stae of California on public works projects or required by any other governmental agency; it is not a request for apprentice(s); and it does not guarantee that apprentices will be dispatched if requested.
All contributions received by the trust fund are used to fund apprenticeship and journeymen training conducted by the WECA Electrical Apprenticeship and Training Committee which is approved by the State of California.

I have reviewed this entire form and declare that the information that I have reported on this form is true and accurate to the best of my knowledge.
